

# / The Bridge II

Docking station for iPod

Home Solutions

## Highlights

- Docks almost every iPod
- Playback of audio and video files
- Charges iPod

Is your home entertainment system incomplete without music from your iPod? Thanks to The Bridge II docking station, connection and control are completely within your power. The Bridge II connects directly to most Harman Kardon® AVR receivers, and allows you to use your AVR's remote to seamlessly select and play audio and video content – guided by on-screen or front-panel menus you can read from across the room. Let the (gloriously uninterrupted) music begin.

## Key Specifications

- Dimensions (H x W x D) and weight: 30mm x 114mm x 114mm, 167g

Depth measurement includes knobs, buttons and terminal connections, unless stated otherwise; height measurement includes feet and chassis, unless stated otherwise.
