

B&W

805S

\$5,000/pair

A standmount with excellent coherence and imaging.

For: Makes you want to tap your feet and sing along.

Against: Needs more grunt and scale as the sound lacks a little warmth and richness.

Specifications:

Size: 24x42x35cm

Weight: 11.5kg

Bass/midrange driver: 120mm

Kevlar cone with 165mm cast chassis

Tube-loaded 25mm metal tweeter in decoupled external pod
